# **MHS Heavy-Duty Secondary Belt Cleaner**

# **Superior Cleaning for Abusive Cement Processes**

In the quarry and at the primary crusher and stockpiles, where wider belts travel at faster speeds, you need a cleaner that can withstand the abuse caused by larger materials. The MHS Heavy-Duty Secondary Belt Cleaner was designed to deliver and maintain superior cleaning efficiency, even on the most demanding, abusive beltlines. The MHS is the answer to tough belt cleaning problems. It delivers high-efficiency cleaning, long-lasting performance—and with low maintenance.

## Features and Benefits

• Cleaning efficiency of metal blades. The thin, hard edges of the metal blades deliver high cleaning efficiency and long wear life.

material buildup

- Works with Flexco mechanical splices. The C-Tip tungsten carbide blades are impact-resistant, and the spring cushion allows them to move away from a passing splice without damage and with minimal cleaning disruption. V-Tips can be used only on vulcanized belts.
- A complete cleaning system. When the MHS is teamed with the MMP precleaner the system provides maximum cleaning power for tough applications.
- Made for mining conveyors. Made from heavy-duty, corrosion-resistant steel, the MHS is available in sizes for belt widths from 450 to 2400mm (18" to 96"). Additional sizes are available upon request.
- Safe to service. All service can be performed from a safe position at the side of the conveyor.
- Also available in stainless steel.

# MHS Heavy-Duty Secondary Belt Cleaner

## **Specifications and Guidelines**

## Maximum Belt Speed

6 M/sec (1200 FPM) 5 M/sec (1000 FPM) with MST Tensioner

Temperature Rating -35° C to 82° C (-30° F to 180° F)

Usable Blade Wear Length 9mm (3/8")

#### **Blade Material**

Impact resistant, long-lasting tungsten carbide (C-Tip for mechanical fasteners, V-Tips for vulcanized belts)

### Available for Belt Widths

450 to 2400mm (18" to 96") with SST or SAT2 Tensioner 450 to 1800mm (18" to 72") with MST Tensioner

### **CEMA Cleaner Rating** Class 5
