

Segmented Transfer Plates for Narrow Gap Specialty Bracket Offerings for Non-Standard Installation

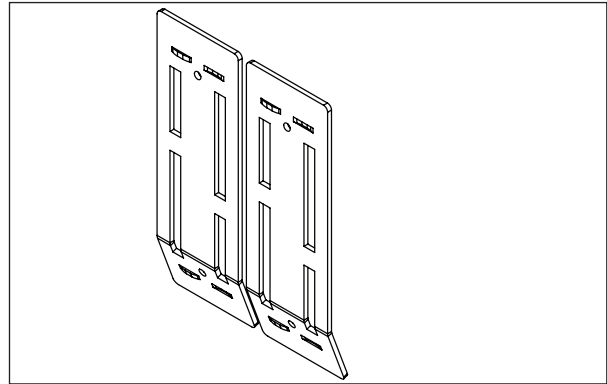

Non-standard installation of Segmented Transfer Plates for Narrow Gap may need an alternative mounting bracket to the standard bracket supplied with your purchase. See the options below and select the best mounting bracket for your application. Contact your local distributor or Flexco Customer Service to order.

Item Code: 56733

Ordering Number: TG-MTG-BRKT-LOWPRO

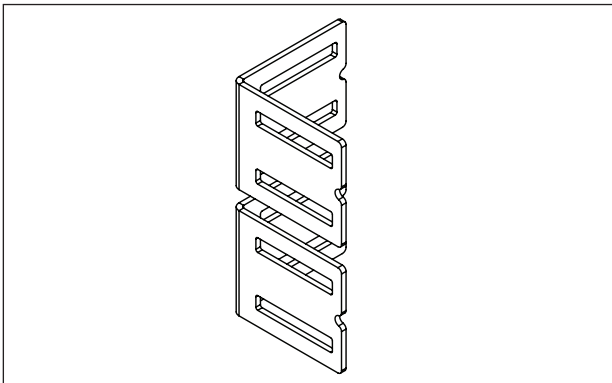

- **Compatibility:** Narrow Gap STP
- **Installation:** Bolt on
- **Applications:** Airport conveyors installed close to the ground or suspended from the ceiling. Logistics applications where the conveyor is hanging from above and there is no structure below the belt. Installations where aesthetics are required.

Item Code: 56645

Ordering Number: TGB-1.5-3.0-VERT-SUPPT-BRKT-KT

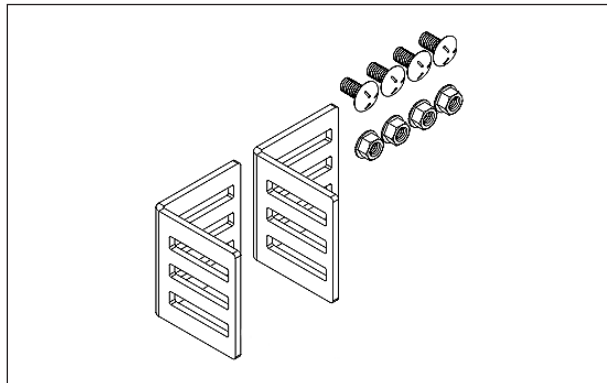

- **Compatibility:** Narrow Gap STP
- **Installation:** Bolt on
- **Applications:** For use for replacement VERT SUPPT brackets or to add additional verticle support to wide narrow gap STPs. Often paired with 56646.

Item Code: 56646

Ordering Number: TGB-1.5-3.0-ANGLE-BRKT-KT

- **Compatibility:** Narrow Gap STP
- **Installation:** Bolt on or weld
- **Applications:** For use for replacement ANGLE BRACKET or to add additional vertical support to wide narrow gap STPs. Often paired with 56645.

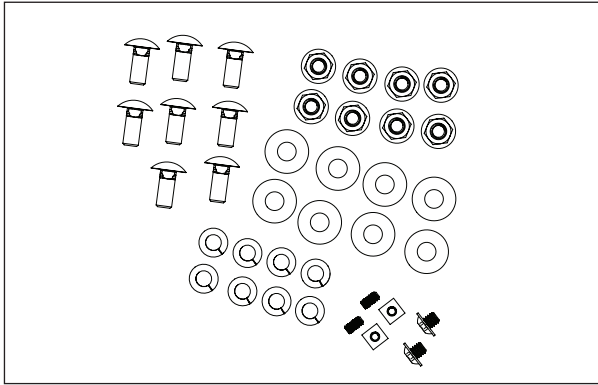

Item Code: 56740

Ordering Number: TGB-MOUNT-L-3SLOTBRKT

- **Compatibility:** Regular or Narrow Gap STP
- **Installation:** Bolt on or weld
- **Applications:** Primarily used with the Extra Long Slot bracket, Single Slot Bracket, and Dual Slot brackets. Can be used to create a side wall for optimal positioning of the standard STP when the mounting conveyor lacks optimal structure.

Segmented Transfer Plates for Narrow Gap Specialty Bracket Offerings

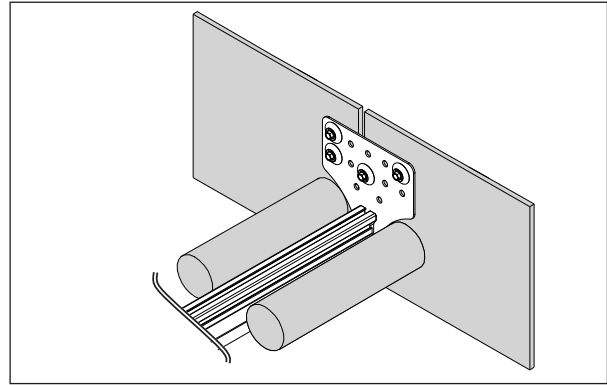

Item Code: 56648

Ordering Number:

TGB-1.5-3.0-MTNG-HARDWARE-KIT

- **Compatibility:** Narrow Gap STP
- **Installation:** Hardware
- **Applications:** Replacement or additional hardware.

Item Code: 105953

Ordering Number: TG-MTG-KIT-NGWIDEFLANGE

- **Compatibility:** Narrow Gap STP
- **Installation:** Bolt on
- **Applications:** Narrow Gap STP installations where the conveyor structure is mounted directly to the floor or has a low-profile structure. Offers the option to install the Narrow Gap STP brackets directly on the side panels above the transfer where there is insufficient space or access below the conveyors to install the standard Narrow Gap STP brackets.
