

PRIMARY AND SECONDARY CLEANER BLADES

Underground Solutions

Your Complete Underground Solution

Flexco's complete range of underground cleaning solutions are the perfect tool to increase belt cleaning efficiency and reduce routine maintenance tasks. These cleaners are easy to install on Flexco cleaners as well as retrofit to your existing competitor belt cleaner.

Features and Benefits

- Made from Flexco's unique long-lasting polyurethane formula.
- All models available in Standard and FRAS polyurethane.
- Secondary models available with tungsten carbide tips.
- Easy maintenance; blades can be replaced individually as needed.
