

# 30019RPR – CEBC2 Refurbish / 30002RPR – EBC2 Refurbish

## Tool Repair Sheet

During the refurbishment process, the EBC2/CEBC2 is completely disassembled, and all components are inspected for wear. Certain components are replaced regardless of their condition. During refurbishment, the entire tool is cleaned and worn components are replaced to make it operable again.

### ***THESE COMPONENTS ARE ALWAYS REPLACED***
