

Clipper® 845LD Belt Cutter

Designed for Safety, Speed and Accuracy in Baking Operations Where Uptime is Critical

The Clipper® 845LD aluminum belt cutter delivers the straightest cuts – time after time – in an easy-to-use lightweight, corrosion resistant package.

The chain-driven, double-edged safety blade can be driven from either end, cutting in a single pass. Cuts straight every time on urethane plied belts, urethane or polyester monolithic belts, rubber plied belts and PVC plied belting all commonly found in industrial baking.

Plus the 845LD frame makes the cutter easy to carry and use at the conveyor system.

Faster.

- Lightweight (approximately 30 lbs./13.6 kgs per 48"/1200mm cutter) non-corrosive aluminum frame
- Turning the drive handle effortlessly cuts the belt in a single pass
- Clamp bar can be completely removed, or hinged and lifted from either end, simplifying routine operation

Safer.

- Blade remains fully enclosed during cutting procedure
- Special flat-top blade design for added safety

Smarter.

- Quick, safe, and accurate cuts in a single pass
- Available in widths up to 72" (1800mm)

Complete Belt Maintenance Support

Use the 845LD Belt Cutter in conjunction with these Flexco products to keep belts up and running at peak performance.

Smart Clamp™ Belt Clamps

Novitool® Belt Fabrication Tools

845LD Belt Cutter

Squaring Belt Ends Increases Belt Life, Reduces Maintenance Costs

Squaring your belt ends is a job that requires only a few minutes, but offers real paybacks in terms of extended belt fastener life and reduced maintenance costs. A mechanical splice applied to a properly squared belt will evenly distribute tension across the splice.

Other important benefits include:

- Increased life of the mechanical splice
- Improved belt tracking
- Reduced wear on conveyor belt
- Reduced wear on conveyor components
- Reduced maintenance time
- Reduced costs

Ordering Information

845LD Belt Cutter

Description	Belt widths up to:		Item Code	Ordering Number
	in.	mm		
36" Belt Cutter	36	900	32275	845836LD
48" Belt Cutter	48	1200	32276	845848LD
60" Belt Cutter	60	1500	32277	845860LD
72" Belt Cutter	72	1800	32278	845872LD

Replacement Parts

Wrench Assembly (handle)	32272	840WA
Cutter Blade Kit	32279	845CBK
Optional Squaring Device	32274	840SD
36" Chain Replacement Kit	03772	840-36CL
48" Chain Replacement Kit	03773	840-48CL
60" Chain Replacement Kit	03774	840-60CL
72" Chain Replacement Kit	03775	840-72CL
